Transportation from Santander Airport

Santander Airport is located only 5 Km away from the city center and the meeting venue, which can be easily reached either by taxi or by bus shuttle service (departures every 30 minutes).

Santander Airport offers direct flights to several major European cities and is well connected with Spain's main international airports of Madrid and Barcelona.

Alternatively, Santander is only 100 Km away from Bilbao International Airport, which can also be reached by taxi or bus. From the Bilbao Airport it is possible to get a taxi or bus to Bilbao bus station and, from there, take another bus to Santander. The bus shuttle service from Bilbao bus station to Santander bus station operates every hour and the trip is 1:15 hours long.
